

Encryption Licensing Arrangement for Less Sensitive Government End Users

1. The items listed on this license are authorized for export and reexport to "government end-users" listed in paragraphs 2 and 3) in all countries except North Korea and the countries listed in Country Group E:1 or E:2 of Supplement no. 1 to part 740 of the Export Administration Regulations (EAR).
2. This license authorizes exports and reexports to local/state/provincial "government end-users" (departments, agencies and entities), including local/state/provincial executive, legislative, judicial, police, fire, rescue and public safety agencies.
3. This license also authorizes exports and reexports to national/federal/royal "government end-users" (departments, agencies and entities) providing the following civil government functions and services:
 - A. Census and statistics services;
 - B. Civil public works infrastructure services (construction, maintenance, repair, regulation and administration) as follows: buildings, public transportation, roads and highways, trucking;
 - C. Civil service administration and regulation, including human resources and personnel/labor management;
 - D. Clean water infrastructure services (treatment, supply and testing);
 - E. Economic (trade/commerce/investment), business and industrial development, promotion, regulation and administration, excluding the following end-users/end-uses:
 - i. Agencies, departments, boards and councils for science and technology
 - ii. Research, development and national laboratories (other than as authorized in paragraphs 3k (measurements and standards) and 3l (meteorology/weather/atmospheric services) below)
 - iii. National telecommunications and information technology agencies, boards, councils and development authorities (including national information center, and information communications technology (ICT) / telecommunications infrastructure / spectrum planning, policy, regulation and testing);
 - F. Elections, balloting and polling services;
 - G. Energy regulation and administration, including oil, gas and mining sectors;
 - H. Environmental/natural resources regulation, administration and protection, including wildlife, fisheries and national parks;
 - I. Food/agriculture regulation and administration;
 - J. Labor/community/social services planning, regulation and administration, including: housing and urban development, municipality and rural affairs;
 - K. Measurements and standards services;
 - L. Meteorology (weather, atmospheric) services;
 - M. National archives/museums;
 - N. Patents;
 - O. Pilgrimage and religious affairs;
 - P. Postal services;
 - Q. Public and higher education (excluding government research institutions and any agency, institution or affiliate engaged in the manufacture or distribution of items or services controlled on the Wassenaar Munitions List);
 - R. Public health and medicine/pharmaceutical regulation and administration;
 - S. Public libraries;

- T. Sports/culture (includes film, commercial broadcasting and the arts) promotion, regulation and administration;
 - U. Travel/tourism promotion, regulation and administration.
4. For all shipments authorized under this license, the licensee must report to BIS and NSA semiannually the item description, model and part number(s), quantity, value, date of export / reexport, country of ultimate destination, and end-user name and address (including destination IP / e-mail address, as applicable, for Internet or other downloads / transfers of software) of all transactions made under this license. The reports shall cover exports and reexports made during the six month time periods spanning from January 1 through June 30 and July 1 through December 31. Reports for the reporting period ending June 30 must be received by BIS and the ENC Encryption Request Coordinator (Ft. Meade, MD) no later than August 1. Reports for the reporting periods ending December 31 must be received no later than February 1. Reports may be sent electronically (with subject line reading, "ELA report for license No. Dxxxxx") to BIS at crypt@bis.doc.gov and the ENC encryption request coordinator at enc@nsa.gov. You may also send floppy disks and CDs containing the reports to the following addresses: Department of Commerce, Bureau of Industry and Security, Office of National Security and Technology Transfer Controls, 14th Street and Pennsylvania Ave., NW., room 2705, Washington, DC 20230, Attn: Encryption Reports; and ENC Encryption Request Coordinator, 9800 Savage Road, Suite 6940, Ft. Meade, MD 20755-6000.
